Press Release - May 13, 2008

## MSSA Spring Tournament Investigation

The MSSA Tournament and Executive Committees met on May 12, 2008 to investigate and discuss a protest that was filed with the MSSA that concerned the eligibility of a Captain presenting a fish that qualified for second place and TWT prize money. Based upon the information available, the MSSA voted to sustain the protest and disqualify the Captain.

Due to this occurrence, some prize money cannot be declared until this matter is fully resolved by our legal counsel. Those prizes not in contention will be presented as scheduled at the Awards Ceremony on Thursday May 15, 2008 at Columbia Center, Severna Park, MD.

The MSSA regrets any inconvenience that this may have caused participants in the 2008 Amateur Spring Rockfish Tournament. We appreciate everyone's participation in the Tournament and the MSSA will work hard to remedy this situation as soon as possible.
