PRESIDENT'S MESSAGE

The last quarter of the year is here and we need to get organized for the upcoming meetings. The leadership team met on September 8th to lay the groundwork. One of the things we are working on is streamlining our mailings. That is to say we want to use e-mails as our primary method to get information to you. Sooo, we need up-to-date e-mail addresses and if you are aware of members not getting newsletters have them contact me. Snail mail is expensive so in an effort to eliminate that expense, we will use the Tidelines, with a regular article from our chapter, to get information to those without a computer. Otherwise, they can call me if there is immediate concern.

Our web site is up and running. If you have not checked it out go to www.mssa.atlanticanglers.com. Buddy Siegel is doing a great job at making it useful and informative. If you know Sam Kilgore and see him thank him for his generosity in creating this site for us. We hope to bring the web site to you at our next meeting.

We will have another silent auction at our next meeting with some great boating items. Bring your birthday money!

We have decided to do away with the Christmas dinner in December unless there is large number of members who feel differently and an individual who wants to take charge of it. It is a busy month and there was little interest last year. We will try a happy hour in mid winter somewhere with some kick to it with snacks etc. More later on this.

January 1,2010 requires that we as fishermen have a FIN(Federal Identification Number) Then if things go as expected Maryland will have a saltwater fishing license for the coastal bays and Atlantic Ocean in 2011. More on this at the next meeting.

Our new executive director, Dave Smith is on board at MSSA and we expect great things from him.

Angler of the Year

Things have really heated up in the Atlantic Coast Chapter Angler of the Year contest. Fish have been entered in 9 of the listed fish species for both the ocean and bay categories with \$445 in prize money waiting for the winners.

Rockfish Tournament

This year the “Rockfish Rumble” tournament will run two days, Nov.16th and Nov. 17th. You can fish both days. More details will be forthcoming.

Fund Raiser

We have a potential substantial fund raiser available to us. As a non profit organization we are eligible for a spot at the Springfest Suds sale. This will be discussed at the next meeting.
